

Activities

We pride ourselves on putting on entertaining events for other students at SNHU and donating time and money to local charities. We like to throw big events, and in 2005 we were awarded IGC's **Greek Event of the Year** for our Lip Sync Contest. We held the Lip Sync contest again this past fall with CAPE and gave away \$500 in prize money. In October we held a fraternity reunion. Nearly 60 Phi Delta Psi alumni joined us in the school pub for a fun filled night of memories and to join the past with present. We learned we have alumni from everywhere and we're all one big family. During November we raffled off a \$300 Solomon snowboard.

We are also committed to volunteer work and charity work. During the spring of 2006 we held a bowl-a-thon to raise money for Multiple Sclerosis. We raised \$350 that was presented to the MS group as brothers attended the MS Walk and walked four miles in downtown Manchester to raise awareness and support for MS. In the fall of 2006 our brothers volunteered time for a local pond clean up in Manchester and worked with the Special Olympics in Nashua. The brothers of Phi Delta Psi also helped raise money for the family of Officer Briggs who was killed in the line of duty in 2006. In addition, Phi Delta Psi volunteered time to help with the school wide Blood Drive for the Red Cross and our brothers participated in the 2007 Walk for Hunger in Boston.

The Brothers of Phi Delta Psi

This photo was taken in front of our old fraternity house, which is now an office building across from Webster Hall. Pictured here is our fraternity, including the fall 2007 class and a paddle from the original pledge class of 1966.
